

Ladybug Hunt

ROLL • JUMP • CATCH

A cut-out piano game for repeat, step, and skip

Frog, eight ladybugs, a dice key, and two panels of ways to play. Print at 100% on card stock.

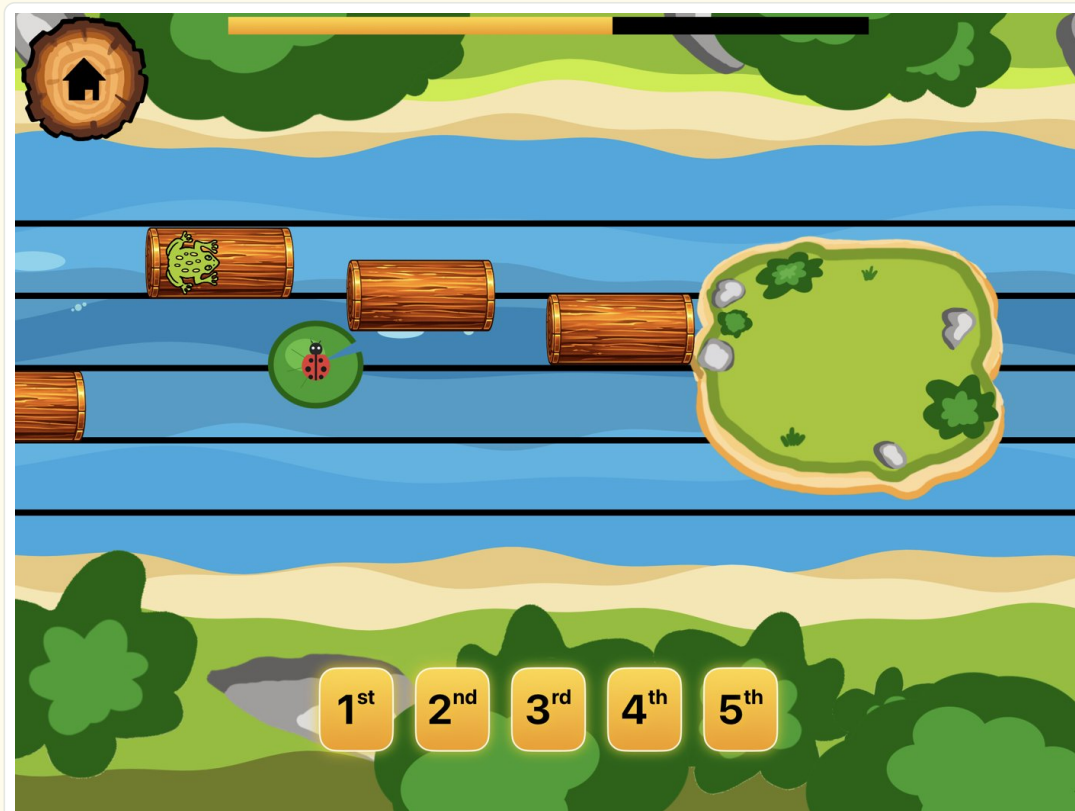

Keep learning with Interval Jump

Interval practice that feels like a game.

Choose the jump. Cross the river.

Interval Jump plays the same three jumps on the staff: repeat, step, and skip, log to log across the river.

Free on the App Store and Google Play

INTERVAL JUMP PRO

Repeat, step, and skip are free forever. Pro adds leaps, the 4th-9th intervals, custom practice sessions, and all the timers. One-time unlock, no subscription.

Ladybug Hunt

Cut out Frog and the ladybugs, roll a die, and catch bugs on a real piano!

Cut on the dashed lines. Each tile is 0.8 inch wide, so it sits on one white key. This line is 1 inch when printed at 100%:

repeat

step up

skip up

step down

skip down

roll again

How to play

1. Print at 100% on card stock. Cut out Frog and the ladybugs.
2. Sit the ladybugs on white keys all over the piano. Put Frog on a white key near the middle.
3. Roll a die and find the jump in the key above. A 6 means roll again.
4. Say the jump out loud, then play Frog's key and the new key to hear it. Hop Frog over.
5. Land on a ladybug to catch it! How many can Frog catch in ten rolls?

More ways to play

- No dice: the student picks a ladybug, names the jump to reach it, and plays it.
- Ears first: the teacher plays Frog's key and one more. The student names the jump and moves Frog.
- Two players: each takes a frog and rolls in turn. Most ladybugs wins.
- Set up a box from the Frog's First Key Jumps worksheets on the real piano, then play it.
- Bigger jumps: match each roll to its interval. 2 is a 2nd, 3 is a 3rd, and so on up to a 6th. 1 is still a repeat, and up or down is the player's choice.
