BEES KEYS

Learn the piano key names through play

This puzzle asks your student to name a key inside the 2 and 3 black-key groups. That is the whole job of Bees Keys: a bee flies across the screen carrying a note name, and your student taps the matching key before it escapes. Same skill, fresh combinations every time. Free, with no ads. Bees Keys Pro is a one-time unlock that adds play on your own piano, by mic or MIDI.
